

## Gifts for Learning

The Hilton Education Foundation Gifts for Learning program provides an avenue for you to make donations to HEF on behalf of a teacher, team, administrator, staff, or significant person in a child's life. This program is a popular way for parents and children to thank a teacher or team of teachers during the Holiday Season or the end of the school year.

Donations to HEF provide opportunities for teachers and administrators to apply for grants for innovative and educational programs that benefit the students at Hilton Schools. For more information on the HEF please visit our web site [www.hiltoneducationfoundation.org](http://www.hiltoneducationfoundation.org).
