This Fund is a special endowment created to honor and celebrate your graduation class from Hilton High School. By donating a gift in the amount of your graduating class year “\$20.14”, you create a legacy, secure the future, and build the Foundation. Donations are invested in perpetuity and the return on that investment goes to help ensure that the great school you remember stays great. It's designed to be a legacy fund - a fund the classes can call their own, one they can continue to give to as they make their way through the world each year, or to mark each class reunion. It's our hope that members of all classes will continue to give to the Fund as they move through college and the world-creating a legacy that grows as they grow.
