

3rd Annual Hilton Education Foundation

Pigs on Parade

What is it? Pigs on Parade is a community fundraiser sponsored by the Hilton Education foundation to help support the Cadet Cupboard

How does it work? Community members design an original, “work of art” ceramic piggy bank. The banks will be placed in local businesses from approximately from November through January to raise money and awareness for the Cadet Cupboard. They will then be auctioned off at Comedy Night Under The Stars in January at Deerfield Country Club.

Is there a cost involved? The Piggy banks will be supplied by Foundation. Paints and optional materials will be at the expense of the artist.

Important Dates:

Pick up - Wednesday September 14, 7:00 Board Room Quest School

Pig Completion Due Date November 9, Board Meeting 7:00 Board Room Quest School
(November through January- Pigs on display at local businesses)

HEF Comedy Night Under The Stars January 21, 2017 Piggy Banks

Tips, ideas & suggestions:

Think of it as a “work of art” that will get people excited and they will want to bid on
Utilize Hilton’s rich history

Come up with a funny title or theme (possibly utilizing pig, pork, swine, etc...)

Take advantage of a current event, book, movie, celebrity, etc...

Be careful not to add things that can be easily knocked off, broken or block the opening for donations. These will be in public locations with a lot of movement around them.

Things to avoid- holiday themed pigs and logos or business names on pigs
