

Calling all Artists for Pigs on Parade 2016

Pigs on Parade is a major fundraiser for the Cadet Cupboard

The third annual “Pigs on Parade” is underway and open to anyone interested in designing and painting a piggy bank. The pigs will come to life this fall when placed around town to collect change for the Cadet Cupboard, a food pantry for Hilton Central School District students in need of nutritious meals.

The Hilton Education Foundation is seeking artists to be involved with this fundraising event and to consider painting and/or decorating one of these specially designed pigs provided by the Foundation.

In November, the completed pigs will then go on parade at a designated stores in the Hilton community.

Once in place, the community is invited to partake in feeding the pigs with their favorite food – money!
